College Rooms:

[Oxford Rooms](#) is an agency working with the colleges in Oxford who offer a bed and breakfast service between terms. The rooms are basic, clean and comfortable but do not have facilities such as TV, trouser press or room service. They are mostly en-suite, and breakfast is taken in the College Hall. This is an extremely good value accommodation option for visitors to Oxford during the spring, summer and winter vacations. Nearest colleges offering this service are Keble College and Wadham College.
